

PROFILE

About Us

We have been in this business of Surface Transportation for last 32 years with IBA certification and mainly caters to big Business Houses and Government Undertakings where material is delivered on door delivery basis or as specifically instructed by clients, our commitment for customers to provide best quality and excellence, and at the same time maintaining the highest standards of ethics and social responsibilities and horizon with consistently offering economical & better service to customers, We believe that it carries not just material consignments but the trust and aspirations of its customers. That's the reason why extra care is always taken to ensure foolproof delivery of even the smallest of cargoes.

Vision

Should be a customer oriented, multi-technology, multi-specialist transport system in the Indian markets, with a proven commitment to excellence in every facet of activity and pursuit of value based policies to satisfy aspirations of society, customers, vendors, employees and the transport industry.

Mission

- To Be the Most Reliable, Cost Effective, Safe and Integrated Logistics Service Provider To Our Customers And To Form Mutually Beneficial And Value-Based Relationships With Our Partners, Through Innovation And Use of Technology
- Timely placement of vehicles.
- To deliver material in due time frame as agreed upon.
- Safe handling of material.
- To provide all logistic support to our customers.
- Last but not the least, "Full Customer Satisfaction"

Management Team

Backed by a professional, dedicated and experienced staff, which are committed to achieve complete customer satisfactions, we deliver solutions as per the exact requirements of our valued clients.
